### 1. Yoga and Meditation

A Yoga and Meditation session was held on 04 December 2024 at Maa Bhangayani Temple Complex, organised by Prof. Purvashi. The aim of the session was to help students improve their mental well-being and find inner peace. The session included guided meditation, yoga asanas, breathing exercises and relaxation techniques. Students took part with great interest and gave positive feedback regarding the session.

### 2. Red Ribbon Club (RRC)

- i. On 04 December 2024 the college observed World AIDS Day with a series of impactful activities aimed at raising awareness about HIV/AIDS and fostering empathy for those affected. The students then formed a “flash mob” in two locations i.e. the college premises and Maa Bhangayani Temple Complex which not only captivated the audience but also effectively conveyed the importance of solidarity with those suffering from HIV/AIDS. In the college premises, a symbolic red ribbon pinning ceremony was held, with faculty and students coming together to their support for those suffering from HIV/AIDS. Another highlight of the day was a human chain activity where students formed a Red Ribbon by standing in queues within the college premises.

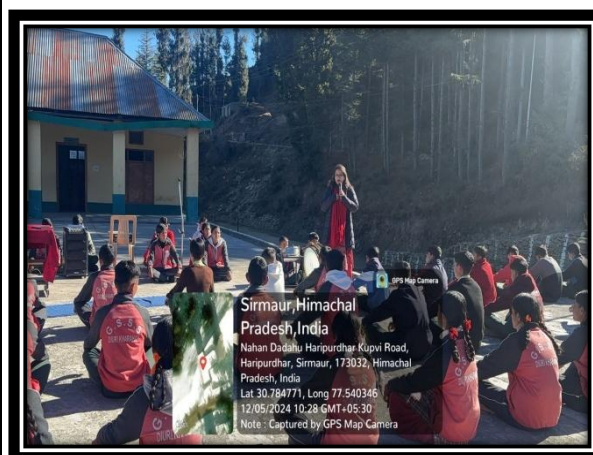

- ii. On 30 December 2024, the RRC organised a reel-making competition to spread awareness about HIV/AIDS. The event brought together students, challenging them to use their creativity and storytelling skills to highlight key aspects of HIV/AIDS, such as prevention, myths versus facts and importance of early detection. The competition aimed to educate students about this critical health issue while encouraging the use of social media platforms for meaningful causes. Each participating team worked tirelessly to create impactful reels that conveyed this powerful message.

### 3. Faculty Visit to adopted School

On 05 December 2024, two faculty members from the institution visited the adopted school G.S.S.S. Diuri-Kharahan to conduct an insightful career counseling session for students. Prof. Himadri Thakur emphasized on the relationship between students and society that is vital for the growth and development of both. By engaging in social activities, students learn the importance of responsibility, team work and leadership, which are essential qualities required for making meaningful contribution to the society.

Dr. Sarita Thakur also introduced the students to a wide range of professions; including emerging fields and discussed the growing demand for skills like critical thinking, problem solving and digital literacy.

#### 4. Road Safety club Activity

- i. Videos related to Road safety were shown to the students by the Road Safety Club on 07 December 2024. The Importance of Road Safety was explained along with a detailed description of Road Safety Rules. These rules help to control traffic and reduce accidents. Road safety is our responsibility and by following these rules and being cautious, we can not only save our lives but also the lives of others.

- ii. From 19 December 2024 to 21 December 2024, the Road Safety Club of Government Degree College Haripurdhara organised a series of competitions aimed at promoting awareness about Road Safety among students. The three-day event included Poster Making, Slogan Writing, and Essay Writing competitions, each focusing on different aspects of road safety to engage and educate students creatively and intellectually. On 19 December 2024, the event commenced with a Poster Making competition. Participants displayed their artistic talents by creating visually compelling posters that highlighted the importance of obeying traffic rules. The following day, on 20 December 2024, a Slogan Writing competition was held. Students enthusiastically crafted powerful and catchy slogans to convey strong messages about road safety and responsible driving behavior. Finally, on 21 December 2024, an Essay Writing Competition provided a platform for students to delve deeper into the subject. Through well-researched and thought-provoking essays, participants explored the causes of road accidents, suggested preventive measures, and discussed the role of public awareness in improving road safety.
