i. NO. OF ANTI-DRUG AWARENESS PROGRAMMES ORGANISED DURING THE SESSION 2024-2025:-

The college regularly organizes Anti-Drug awareness campaign under the banner of Anti Drug Committee, Red Ribbon Club, NSS etc. **More than 4 Anti-Drug Awareness programmes organised during the session 2024-2025 by Anti Drug Committee.** Following are the details:-

1. Anti- Drug Activity on 14.12.2025

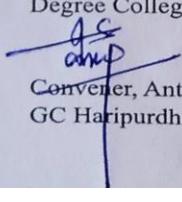

Introduction: The third day of the NSS Seven Day Special camp on 14-12-2024 was organised in collaboration with the Anti-Drug Committee and was dedicated to raising awareness about the dangers of drug addiction and promoting a drug-free society.

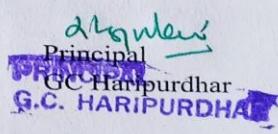

Objective: The objective of the event was to educate students about the harmful effects of substance abuse and ways to prevent it.

Proceedings of the Event: The event featured an interactive session with the keynote speakers, Constable Sohan and Constable Anil from Police Department, Haripurdhar; who shared their experiences in dealing with drug-related cases. They highlighted the consequences of addiction on individuals, families, and society. They also guided students on recognising early signs of addiction and encouraged them to seek help if needed.

Another major highlight of the day was a street play on drug addiction, performed by NSS volunteers. The play depicted the journey of a young individual falling into the trap of substance abuse, the struggles faced by their family, and the road to recovery.

Conclusion: The students were encouraged to fight the problem of with better enthusiasm. The event concluded with a vote of thanks by Sh. Rohit Sharma, NSS Programme Officer, Govt, Degree College Haripurdhar.

Mime on Drug Awareness in the Annual Function

The Anti-Drug Committee organised a mime performance in the Annual Prize Distribution Function 2024-25 to spread awareness about drug addiction. The act showed the story of a teenager who starts using drugs because of peer pressure but, with the help of his parents' support and guidance, manages to overcome his addiction. In the end, he also encourages his friends to quit drugs.

With expressive actions and background music, the performance delivered a strong message about the dangers of drugs and the importance of family support. The audience appreciated the act, making it a memorable and impactful event.

Activity Report: Lecture on Drug Addiction on 15-03-2025

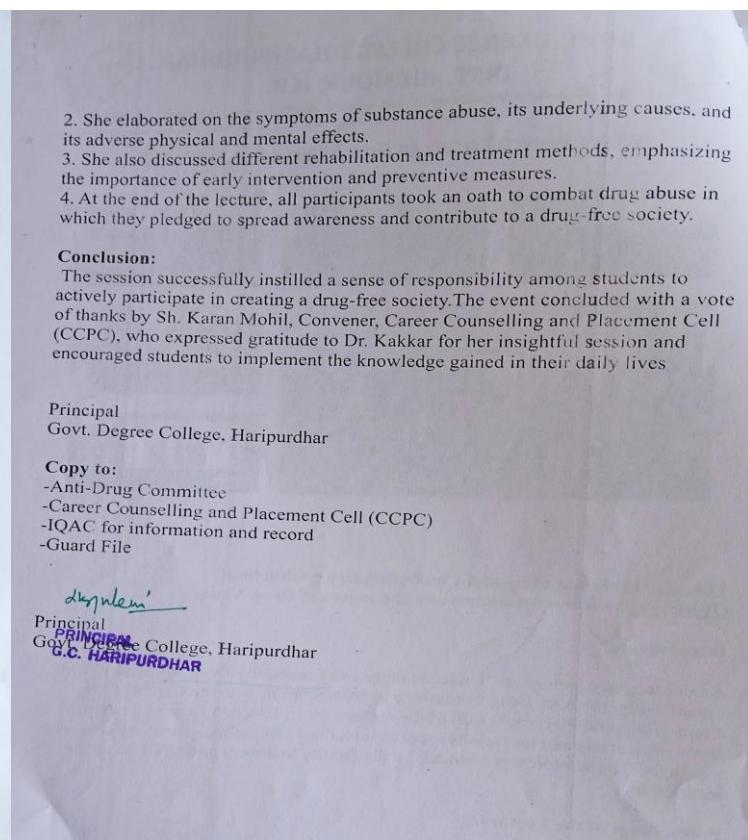

Theme: "Understanding and Combating Drug Addiction"
Objective: To Raise Awareness about dangers of Drug Abuse

Introduction:

An online guest lecture on "Understanding and Combating Drug Addiction" was organized by the Anti-Drug Committee in collaboration with the Career Counselling and Placement Cell of the college on 15-03-2025 to raise awareness about drug abuse and its various aspects, including symptoms, causes, effects, and treatment. The session was attended by the faculty members and students of the institution.

Proceedings of the Lecture:

1. The lecture was delivered by Dr. Sangeeta Kakkar, Assistant Professor, Psychology, Shoolini University, Solan (H.P.), who provided valuable insights into the psychological and social dimensions of drug addiction.

2. She elaborated on the symptoms of substance abuse, its underlying causes, and its adverse physical and mental effects.

3. She also discussed different rehabilitation and treatment methods, emphasizing the importance of early intervention and preventive measures.

4. At the end of the lecture, all participants took an oath to combat drug abuse in which they pledged to spread awareness and contribute to a drug-free society.

Conclusion:

The session successfully instilled a sense of responsibility among students to actively participate in creating a drug-free society. The event concluded with a vote of thanks by Sh. Karan Mohil, Convener, Career Counselling and Placement Cell (CCPC), who expressed gratitude to Dr. Kakkar for her insightful session and encouraged students to implement the knowledge gained in their daily lives.

ACTIVITY REPORT: GUEST LECTURE ON "HEALTH HAZARDS DUE TO DRUG ABUSE"

Introduction

On March 20, 2025, a guest lecture titled "Health Hazards due to Drug Abuse" was organized by the Anti-Drug Committee of the college. The keynote speaker was Sh. Chaman Soni, Health Educator, CHC Sangrah, Distt. Sirmour (H.P.)

Objective

- To raise awareness about the dangers of drug abuse, its symptoms, and long-term consequences.
- To educate students on drug detection methods, law enforcement actions, and prevention strategies.
- To encourage a drug-free lifestyle through counselling and rehabilitation support.

Proceedings of the Session

- The speaker spoke about the dangers of drug abuse and stressed upon on locally used and easily available substances. He explained how these drugs contribute to addiction and become a major social issue.

- He discussed drug urine test kits and their role in detecting substance abuse early. Flying and immediate raid were also explained about as measures to control drug trafficking.
- He also informed about symptoms like social withdrawal and memory issues. The impact of addiction on individuals and their families was underscored.
- Serious health conditions resulting from drug abuse like Hepatitis B & C, liver cancer, and heart disease were discussed with the students. Psychological repercussions of drug abuse such as depression and financial crisis were highlighted.
- The speaker also discussed tuberculosis (TB), its symptoms, spread, preventive measures, treatment and India's goal to become TB-free by 2026.
- The session ended with a Q&A where students raised questions and queries regarding drug abuse.

Conclusion

The lecture provided valuable insights into the dangers of drug abuse, its symptoms and its consequences. Students learned about drug detection methods, law enforcement actions, and ways to prevent addiction through awareness and self-discipline.

iii. COUNSELLING OF SUSPECTED ADDICTS

Two Days Counselling Session on the topic “ Drug Addiction” for College Students were conducted by Anti- Drug Committee on 26.03.2025 and 27.03.2025. Till now, no cases of any suspected addicts have been reported. Around 40 students participated in this counselling session.

Title:- Counselling Session on Drug Addiction for College Students

Date:- 26.03.2025 and 27.03.2025

Time :- 12.00 p.m.

Number of Students Participated:- 40

Proceedings of the Session:-

The objective of this session was to educate and counsel college students on the dangers of drug addiction. This counseling session was organized by Anti-Drug Committee of the College. This session was conducted to ensure a drug free campus and motivate students to become volunteers of anti-drug activities in their life. The Convener of Anti-Drug Committee introduced the session and explained the purpose of the counseling session. The members of the Anti-Drug Committee also explained the effects of drug addiction on their physical and mental health, relationships and daily life. An icebreaker activity was conducted to help students feel comfortable and build trust. The members of this committee also addressed that every students of the college should be goal oriented and innovative in protecting oneself and others against drugs and alcohol. This session helped students to reduce stigma around drug addiction, encouraging students to seek help and support. The counseling session was a success, providing a supportive and non-judgmental environment for college students to discuss their concern. The Anti- Drug Committee will continue to provide guidance and support to students and students will be encouraged to attend more such sessions in future.
