ii. Whether daily newspaper (minimum 5), magazines (minimum 3), and journals (minimum 3), available

Yes, our college library provides daily newspapers, magazines, and journals to support students' academic and general awareness needs. These resources help students stay updated with current affairs, develop reading habits, and explore subject-related articles. The availability of print media, along with digital resources, ensures a well-rounded learning environment and encourages students to engage in continuous knowledge enhancement.

iii. Whether access to e-resources available

Our college library is equipped with both internet and computer facilities to support students in their academic pursuits. With dedicated computer systems and reliable internet access, students can conveniently search for e-resources, online journals, research papers, and digital books. These facilities help them enhance their learning, complete assignments, and explore a wide range of academic content. The digital access provided in the library ensures that students stay updated and make the most of available learning resources.

iv. Seating capacity of library:

Our college library offers a peaceful and enriching space for students to immerse themselves in learning. With a seating capacity of 60, it provides a comfortable environment for focused reading and study. The library houses a wide collection of well-known books, reference materials, journals, and academic resources across various disciplines. Students can indulge in reading, research, and self-study in a calm atmosphere, making the library an essential and well-utilized academic resource on our campus.

v. Usage of library resources

The library resources in our college are used regularly by both students and teachers. Students visit the library to read books, complete assignments, search for e-resources, and prepare for exams in a quiet and supportive environment. Teachers actively use the library for reference materials, academic planning, and updating their subject knowledge. The consistent use of books, journals, newspapers, and digital resources reflects the library's importance as a key center of learning and academic growth on our campus.
