#### **i. No. of Interactive Panels/ Virtual Classrooms Multimedia Projectors/K-Yan**

Our college is equipped with five Interactive Panels/Virtual Classrooms and Multimedia Projectors/K-Yan systems to enhance teaching and learning experiences. These digital tools make classroom sessions more engaging, interactive, and visually appealing. Teachers use them to deliver presentations, display educational videos, and conduct technology-based lessons that support better understanding. Students benefit from clear visual explanations and interactive content. The availability of these five advanced facilities reflects our commitment to providing a modern, technology-enabled learning environment on campus.

**ii. % of teachers using ICT facilities:**

Yes, every teacher in our college actively uses ICT facilities to enhance the teaching–learning process. All faculty members regularly incorporate digital tools such as interactive panels, projectors, online resources, and multimedia content while teaching. Blended classroom practices, combining traditional methods with technology-based instruction, are followed across departments. This approach helps improve student engagement, understanding, and participation. The consistent use of ICT by all teachers reflects our commitment to modern, effective, and technology-supported education.

## v. Use of ICT facilities

Yes, our college actively uses ICT facilities to strengthen the teaching-learning process. Teachers regularly use projectors, interactive panels, and digital tools to make lessons more engaging and effective. Students also make extensive use of ICT labs for presentations, practical work, online research, and accessing e-resources. These facilities help them develop digital skills and enhance their academic performance. The consistent use of ICT by both teachers and students ensures a modern and technologically enriched learning environment on campus.
